

NEOnet

Prompt. Courteous. Knowledgeable.

Support *you* deserve.

Looking for a Career with an Informational Technology Center (ITC)?

Choose NEOnet.

NEOnet's *knowledgeable* team is committed to the highest customer service standards, which is exemplified by our *prompt, courteous* response to all questions and service needs. *We deliver the support our customers deserve* in a prompt and cost-effective manner.

We offer a number of benefits to our employees, including:

Retirement plan – NEOnet recognizes the School Employees Retirement System of Ohio (SERS) plan	Optional retirement plan – the Ohio Deferred Compensation supplemental 457(b) retirement plan allows participants to supplement any existing retirement/pension benefit by saving and investing pre-tax dollars through payroll deferrals	Professional development – We want you to continue to succeed. As such, we encourage employees to participate in our extensive list of professional development opportunities	Health insurance – NEOnet pays 80% of health and dental insurance premiums. A Health Savings Account can be established to cover out-of-pocket health expenses like office visits, prescription drugs, etc.
Life insurance – each employee receives a \$50,000 life insurance policy at no additional cost	Paid holidays – NEOnet recognizes 11 holidays with paid time off	Personal laptop – each employee is issued their own company laptop	Sick leave – 15 days are earned each year. Unused sick leave carries over into the next year
Personal days – three days are given to employees per year	Work from home – eligible employees are permitted some flexibility to work from home	Tuition reimbursement – eligible employees may have a certain amount of their tuition reimbursed per fiscal year	
Cell phone reimbursement – each employee is eligible for cell phone reimbursement.	Vacation leave – days are earned annually based on the number of years employed
